

# Detaching the patellar ligament from the tibia

To detach the patellar ligament from the tibia, follow the steps in the video below.

Video showing how to detach the patellar ligament from the tibia.

Once detached, the patellar ligament, patella, and quadriceps tendons can be stored on Parts Plate A.

## Patella, patellar ligament, and quadriceps tendons

The detached patellar ligament, patella, and quadriceps tendons can be docked as a single piece on Parts Plate A.

Kit disassembly
